CONTENTS

- A Study on the Application of the Personnel Training Mode Based on the Integration of Working and Learning in the Curriculum Reform of the Course of Fault Analysis in Power System ZHANG Li, YANG Qi-jun, CHEN Fang-shu (1)
- A Probe into the Application of the “Teaching-learning-practicing Integration” Teaching Mode in the Course of Overhaul of Thermal Automatic Devices XIE Bi-rong, OU Ru-chun, DENG Shu-lei (4)
- A Study on the Design and Application of the “Flipped Classroom” Teaching Model in the Course of C Language JIANG Li-ni, TAN Qiu-ping (7)
- A Study on the Construction of the Simulated Practical Training Room for the Major of Tourism Management in Vocational Colleges GONG Yi, HU Wen-hua (11)
- A Probe into the Effective Teaching Mode of College English in Vocational Colleges Based on Blended Learning LIU Yi (14)
- A Study on the Work of On-The-Job Training in Enterprises for Teachers in Colleges and Universities HUANG Dan, CHEN Qu-jin, DING Li (16)
- A Study on the Theoretical Definition and Practice of Value of Gender Education in Colleges and Universities HE Tao (20)
- A Study on the Risk Assessment of Lightning Disasters of the Transmission Line SI Hu, ZHOU Yang, XIA Tao (23)
- Cause Analysis of the Bulge Accident of the 10 kV Overhead Insulated Wire YUAN Bo, XI Shi-you, LI Xue-wei, et al (28)
- A Study on a Method of the Modeling of the Wide Frequency Equivalent Circuit of the Three-phase AC Motor WANG Quan-di, LIU Zhe, CHEN Huan-rong (33)
- A Study on the Application of the Double-pallet Spray Tower in the Renovation of the Limestone-gypsum Wet FGD Device LIANG Yan-xuan, SU Cheng (38)
- A Study on the Modeling and Simulation of the CPS XIANG Wan-qin, YANG Li, CHEN Yi-yuan (43)
- A Study on the Design of the Submission System of the Dispatching Data HE Gong (48)
- A Study on the On-the-spot Mobile Training of Labor Skills and Its Implementation QING Zhi-ming, FU Wang, ZHOU Fei (53)
- A Study on the Innovation of Editorial Consciousness of College and University Journals under the Digital Background ZHAO Xiao-juan (57)
- A Study on the Management of Capital Construction Archives in Enterprises WEI Fang (60)
