

LOW VOLTAGE APPARATUS

Founded in 1959 Semimonthly
No. 2 (Serial No. 371) , Jan 30 , 2011

Online Contributing <http://lva.chinaelc.cn>

Competent Authority

Shanghai Economic and Information
Technology Commission

Sponsor

Shanghai Electrical Apparatus
Research Institute (Group) Co. , Ltd.

Editor and Publisher

Editorial Department of Low Voltage Apparatus

Editor in Chief

ZHANG Yuqing

Vice - Editor in Chief

FANG Guosheng

Assistant Editor in Chief

WANG Shuyan

Contributing Editor

WANG Xinyuan

Address

505 Wu Ning Road, Shanghai, P. R. China

Post Code 200063

Tel (021) 62543397 52665361 52665359
62574990-417, 272, 747, 757

Fax (021) 62576377

E-mail lva@seari.com.cn

China Standard Serial Numbering

ISSN 1001 - 5531
CN 31 - 1419/TM

Distributed Ranga

China and Abroad

Foreign Distributor

China International Book Trading
Corporation (P. O. Box 399 Beijing, China)

Foreign Periodical Code

4713BM

Main Contents

Research & Analysis

- Status and Improvement of Low Voltage Motor Protector
CHEN Peiguo 1
- Study on Electronic-test Failure Analysis Technology of
Electromagnetic Relay *WANG Xiangfen, GAO Cheng, FU Guicui* 6
- Analysis and Design on Operating Torque at Resetting Process of
Moulded Case Circuit Breaker
GU Jianqing, GUAN Ruiliang, LIU Hongwu, et al 10
- Improvement Design of a Kind of Conventional Circuit Breaker
Mechnism *LINGHU Shaojiang, WANG Weiguo, YUAN Bo, et al* 15
- Research on Arc Fault Characteristic for AC Power System in
Aircraft *WANG Li, CAO Lu, YAN Yangguang* 19

Intelligent Electrical Apparatus

- Communication Interface Design of Intelligent Wide-range Input
Voltage Contactor *CHEN Yingtang, CHEN Li' an, CHEN Zhiying* 24
- Development of an Intelligent Residual Current Detection Device
ZHANG Guanying, YANG Xiaoguang, WANG Yao, et al 28

Distributed Generation

- Simulation Study on Micro-grid Connection/Isolation Operation
Containing Energy Storage Device *LI Jie, CHEN Yu* 32
- Dual-Buck Full-bridge Grid-connected Inverter Based on Ome-cycle
Fixed Frequency Sliding Mode Control
HOU Shiyong, SONG Xing, ZHANG Chuang 37

Intelligent Power Distribution System

- A Novel Single Phase Sepic Power Factor Correction Converter
XU Wei 43
- Application of Short Message Module in Intelligent Distribution
System Based on GSM Network
YIN Jianqiang, JIN Jianda, REN Ling 47

Measurement Technique

- Dielectric Recovery Experiment Device after Arc Extinction for
Vacuum Circuit Breaker
HU Chengbo, WANG Zhenxing, GENG Yingsan, et al 50
- Process Analysis of Creepage Distance and Clearance Measurement
CHEN Min, ZHANG Xiaoguang 55
- Reliability Test and Failure Analysis of AC Contactor
YAO Fang, PENG Hong, BAO Qishu 58

New Product Introduction

- Electric Residual Current Operated Circuit Breaker
HUANG Tao, ZHAO Jin 62

Window of Information
