CONTENTS

Industry Research

- Study on the Index System for Evaluating the High-quality Development of the Construction Design Industry
..... *ZHANG Shubin(05)*
- Exploration on the Teaching Reform of the “Construction Project Contract Legal System and Contract Management”
Course Oriented to “General Training” *XIE Linlin, CHEN Yajiao(11)*
- Research on Driving Factors of Healthy Building Industry Based on Structural Equation *SANG Peidong, MI Yue(15)*
- Research on the Measurement of Community Integration of Rental-type Affordable Housing
..... *DENG Shuyue, ZHANG Guang(20)*
- Simulation of Construction Land Supply and Demand in Economic Development Zones Based on Land Intensive Use
..... *XIE Qian, GUO Lingzhi, LI Hui, TANG Shijia(25)*

Engineering Cost

- Study on Optimal Management of the Cost of Building Decoration and Decoration in Colleges and Universities
..... *ZHOU Guojiang(29)*
- Influencing Factors and Calculation System of Cost Index of Large Shield *ZHAO Feng(35)*
- Discussion on Pricing of Highway Engineering Gas Tunnel *CAI Xuemei(39)*
- Research on Cost Level and Main Influencing Factors of Trenchless Horizontal Directional Drilling
..... *GENG Qingshen, WANG Ningning(43)*
- Discussion on the Audit of Oversea Nonferrous Metal Mining Project Budget Estimate *ZHOU Kun, LI Zheng'an(47)*

Project Management

- Research on Influencing Factors of Bidding Supervision Effect of Government Investment Projects
..... *LI Lihong, GUO Zhenxu, YU Mingyu(51)*
- Research of Influencing Factor to the Congruence Effect on Team Creativity of Megaprojects *LIU Min, DONG Zheng(56)*
- Research on Unbalanced Bids Identification Based on AHM-Variation Coefficient Coupling Weighting
..... *YANG Yusheng, GAO Min(63)*
- Risk Assessment of BIM Technology Application in EPC Project *HU Judan, TANG Shuang, YANG Minjie(68)*

Finance Forum

- Research on the Impact and Countermeasures of DC/EP on Commercial Banks *RAO Yang(74)*
- Business Suggestions for Commercial Banks to Support the Demonstration Area in the Yangtze River Delta on Ecologically
Friendly Development *CHEN Qianqian, GU Li(78)*
