Xi Jinping Talks with Foreign Experts(12)

On December 5, Xi Jinping, general secretary of the Communist Party of China (CPC) Central Committee, had a conversation with 20 foreign experts who work in China. It is Xi's first meeting with foreign guests since he was elected general secretary of the CPC Central Committee. Xi wanted to convey China's foreign policies and friendship through in a different format from talks with foreign leaders. Xi attaches great importance to the contribution that foreign experts have made to China's exchange and cooperation with other countries.

International Talent Seek Chinese Dreams(28)

"The 11th Conference on International Exchange of Professionals—Shenzhen Forum" was held on December 10. The "Chinese Dream" was the theme of this forum. In the early 1980s, Chinese went abroad to seek the "American Dream". In recent years, China has made great achievements in its economic development and integration into the world. More and more international talents have been attracted to China and want to realize their "Chinese Dream".

Realizing the Chinese Dream in the Machine Tool Industry(36)

Ganiyusufoglu Oemer Sahin, consultant for the chairman of Shenyang Machine Tool Co. Ltd, came to China in 2011 and dedicated himself to the application of CNC technology to SME. Dr. Sahin introduced the SMART principle to the modern corporate management system surrounding the development of machine tool products. "Crisis means both danger and opportunity. If we respond to the danger we meet in a positive attitude, we may find great opportunities in the process. We should open our minds and develop new products to respond to new demands," Dr. Sahin said.

Guangxi: A Second Home to ASEAN Experts(44)

Since 2004 when the first China ASEAN Exposition was held in Nanning, Guangxi Province, there has been more and more exchange and communication between China and ASEAN countries. Guangxi Administration of Foreign Experts Affairs makes efforts to receive and serve well experts from ASEAN countries, making Guangxi Province a home to ASEAN experts and a bridgehead place that exports Chinese culture to ASEAN countries. To achieve the goals, Guangxi Administration of Foreign Experts Affairs has organized various activities for foreign experts, such as various receptions for experts, essay competitions and "Friendship Songs" gala night.
