CONTENTS

New Research Progress on Green Economy	Huang Taiyan TeMuqin (3)
Enterprise Expected Performance Gap, Ownership Concentration and Corporate Environmental Inputs.....	
.....	Chen Weihong Zhong Xi Song Tiebo (10)
Research on the Efficiency Evaluation of Enterprises' Green Supply Chain Operations Based on DEA Method	Fang Wei Yang Bu (19)
Foresting of Coal Consumpiton and Energy Saving and Emissions Reduction Potential Based on the Multiple Factors.....	
.....	Cang Dingbang Wei Xiaoping Cao Ming (27)
Industrial Agglomeration and Pollution Emissions Intensity	Wu Wenjie Wang Xiaojuan He Yantao (33)
Research on Government Reward and Punishment Mechanism in Closed-Loop Supply Chain Based on Carbon Emission	
.....	Li Xinjun Chen Meina (41)
Economic Growth Urbanization Speed and Investment	Fang Qiyun Fang Liang (50)
Analysis of the Impact of Population Age Structure Change on Industrial Investment	Zhang Hong Qin Liuzhi (56)
The Intrinsic Impact Mechanism of Person-Organization Fit on Innovative Behavior	Wu Weiwei Liu Yexin Liu Kangjia (63)
Re-examination of the Relationship Between Stock Liquidity and Capital Structure in Perspective of Different Return	
.....	Li Yanjun Shi Xiaoying Ge Linjie (69)
Information Spillovers between Domestic and International Staple Commodity Markets	Hu Junhui (76)
Risk Evaluation of Project Cost in IPD Mode	Zhao Hui Qiu Weiting Qu Weilu etc (83)
Study on Integration Development and Effect Evaluation between High-tech Service Industry and Equipment Manufacturing Industry under the Background of Industry 4.0	Fu Weizhong Jin Min Liu Fangfang (90)
Research on the Temporal and Spatial Characteristics of Express Industry Agglomeration Development in China	
.....	Li Yumin Xi Qianqian Wu Yuanchang (99)
Study on the Influence Mechanism of Logistics Industry Agglomeration on Manufacturing Labor Productivity.....	
.....	Li Guangming Ma Lei Pan Yu (106)
Research on the Influence of Marketization on Independent Innovation of High-tech Industry	
.....	Zhang Yun Zhao Fusen Zhong Weibing (114)
Analysis of Influential Effect towards Upgrading of Industrial Structure from New-type Urbanization	
.....	Shang Juan Dong Liyuan Liu Lili (122)
The Impact on Urban Land Value and Its Driving Force of High-speed Rails	Jiang Bo Chu Nanchen Xue Rui etc (130)
The Spatial Econometric Analysis of the Impact of the Listed Companies in Beijing-Tianjin-Hebei Region on Regional Industrial Structure.....	
.....	Zheng Tao Du Jiahao Wan Xuefen (140)
A Study on R&D Efficiency and Its Influencing Factors in One Belt and One Road in ASIA.....	
.....	Zhu Tianxing Chen Chen Yu Xinyang etc (148)
