## THE ART OF DESIGN AND ITS THEORY

- 014 Kinematic Analysis of APP Social Product Design - a Case to Plump for Example / Tianhui Wei Kedi Cao
- 017 Study of Home Beauty-instrument Design / Ruquan Yang Cheng Zhai Lei Ma
- 019 Design of Portable Commercial Electronic Products Based on Cognitive Cues / Weiwei Wang Zhaosong Zhang Xiaoyan Yang Yi Wang
- 021 Analysis on Process and Visual Experience of Wood Materials Surface Finishing / Chunyu Zhang
- 023 Interactive Information Design of Urban Intelligent Tourism in Internet Era / Yuanyuan Guo
- 025 Creative Design of "Liu Sanjie" Humanistic Symbol and "Guilin Sanbao" Product Fusion / Fei Wu Jie Wang
- 027 Practical Research on Interdisciplinary Teaching of Graduation Design of Industrial Design Major / Ming Zhang
- 029 Rizhao Farmer Paints in the Application of Indoor Soft Adornment Design Research / Ling Wang
- 031 Research on Sichuan Furniture Innovation Design Based on Bashu Culture / Zhe Wu Junping Ji Yao Han
- 033 Research on the Demand of Intelligent Tourism Service in Modern City and the Countermeasures of Using Information Visualization Design / Yuanyuan Guo  
Wei Fan Honglei Guo
- 035 Study on the Development of Small and Medium-sized City Cultural Creative Industry Cluster Internet Plus Conditions / Bingbing Zhang
- 037 Innovative Design and Research on Idle Tools Sharing Service of College Students in China / Yang Cui Yetian Cao
- 040 Discussion on the Modern Apprenticeship Program of CNC Technology Specialty in Higher Vocational Education / Hongsong Shi
- 042 On the Cultivation of Innovative and Practical Ability of Industrial Design Talents / Jingye Wei Hongwei Jiao
- 044 Visual Saliency Detection and Its Application in Web Design / Jielin Zhang
- 046 Connotation and Practical Teaching System Construction of Participatory Architecture Design Education / Jia Li
- 048 Analysis of the Historical Origin and Relationship of Western Blue Dyeing / Xianda Zhu
- 050 Design of China 's Own Brand Vehicle Logo Based on Visual Perception Theory / Fangfang Dai
- 052 Beardsley's Illustrations of Female Image "Salome" in Black -and- white / Shuang Song
- 054 Design Semantic Model Based on Big Online Data / Chenhao Jin
- 056 Research on Interactive Product Design Based on Environmental Behavior / Xiulin Hao
- 058 Study on Public Seating Design of New Campus of Luxun Academy of Fine Arts / Hongwei Jiao Jingye Wei
- 060 A Teaching Model Study about Computer Aided Design Flipped Classroom Based on Task / Shengnian Ding
- 062 Analysis of Intelligent Vehicle and Intelligent Automobile Operation and Application / Longzhu Zhang
- 064 Jewelry in Ancient Chinese Poetry and Its Research in Narrative Jewelry Design / Yuwei Ding Jian Shi
- 066 Ancient Chinese Thought on Car Design / Likui Liu Zhenjian Li Guanhao Liu
- 068 A Display Design of Popular Science About the Principle of Aerodynamics Based on Interactive Projection Technology / Yinan Zhao
- 071 The Application and Innovation of Tie-dyeing Art in the Modern Kindergarten Environment / Xiaofan Shao
- 073 Flat Style in Mobile Phone Interface Design / Han Lv

- 075 The Application of Paper Cutting in Contemporary Jewelry Design / Jing Wang
- 077 Material Process Selection and Consumer's Emotional Needs / Jiangtao Yan
- 079 Discussion on Goal-oriented Manufacturing Software Interaction Design Method / Gongchang Ren Pu Shang Zijian Liu
- 081 Fluorescent Plug Design / Yue He Yuxiang Kuang
- 083 The Discuss of Features and Culture Intension of Forbidden City Ridge Beast / Fan Xu Hao Qian Yimin Wang
- 085 Briefly on the Development Status and Design Methods of Summer Cloth Products in Sichuan and Chongqing / Xia Lei
- 087 Analysis on Morphological Public Semantics of Street Lamp Public Facilities / Meng Wang Buqiu Xiong
- 089 Research on Design Innovation: User Life Form Research and Character Construction / Haiyang Xu
- 092 The Application of Ergonomics in Industrial Design — Taking the Seating Effect of Steam Seat as an Example / Bin Mao Ruirui Sun
- 094 Analysis on the Value of Introducing Virtual Reality in Indoor and Furniture Design / Peng Xiong
- 096 The Application of Wood Carving Partition in the Decoration Design of Tea House / Yingqing Bai
- 098 Exploration of the Scalability of Enterprise Visual Identity Design in the Mobile Internet Era / Jiang Li
- 100 Lacquer APP Interface and Architecture Design from the Perspective of Internet Plus / Liang Liu Shouliang Lai
- 102 Analysis on the Changes and Strategy of Game UI Based on Virtual Reality / Liqian Jing
- 104 A Semiotic Analysis of Alexander McCune's "Skull" Pattern / Lvjie Deng
- 106 To Explore the Graphic Language of Xingyi Advertising Posters in the Conversion Process / Xia Dong
- 108 Structure Design of the Plastic Packaging Containers, Illustrated by the Case of Moisturizer Jar / Le Chen
- 110 A Study of the Teaching Mode of Design Major of Higher Educational Institutions, Concerning Educational Technologies and Changes of Teaching Media / Weiming Zhang Lei Zhang
- 112 Research on the Supply Side Reform and Training Orientation of Engineering Industrial Design Education / Zhen Jia
- 114 Innovation of Apprenticeship Model of Art Design Under the Background of Double First Class / Binbin Chai Kan Li
- 116 Research on the Education of Social Responsibility of Students Majoring in Visual Communication Design / Qi Li
- 118 Discussion on the Application Transformation of Colleges and Universities Under the Background of Exchange Between Fujian and Taiwan / Shengquan Chen
- 120 The Relationship Between Aviation Logistics and International Trade: An Empirical Study Based on China / Qiong Li
- 122 The Problems and Countermeasures of Design Management in China / Shuxian Liu Huaming Peng Zhen Liu Tengfei Zhang
- 124 Talking about Contemporary Cross - border Design - Taking Yayoi Yakuba as an Example / Xuya Zhang
