

Bus Technology and Research

No5, 2010 (Bimonthly) Serial No.147

Contents

• Survey •

- Future of China Bus and Coach Manufacture Industry WANG Jian (1)

• Design • Calculation • Research •

- Study on Upper Limit for Load-mass Utilization Coefficient on Vehicle Notice Application Management LIU Han-dong , ZHONG Wei-kun (5)

- Study on Comprehensive Shift Strategy of AMT Vehicle on Hill Road JIN Jing-shi , LU Tong-li (8)

- Development of Automatic Passenger Counting System for City Bus Based on Infrared Sensors XU Bin , CHEN Xiao-bing (12)

- Design on Gear-shift Operation System for Bus and Coach Based on Human Engineering CHEN Pei-ze , SUN Bao-zhong (15)

- Analysis on Bus/Coach Body Frame Structure Strength WU Chang-feng (18)

- Optimization Match Design of Auto Power Steering Gear SHAO Kui-zhu , LI Yong (20)

- Green Design and VA/VE of Automobile Products LIU Hui , LI Guang-ming (23)

- Development of XML6857J13N CNG Touring Coach CHEN Hao (26)

- Development of Articulated City Bus of Low Floor with Side-middle-mounted Engine QI Zhong-an (29)

- Design on Chassis Frame for XMQ6120C Suburban Bus LIN Yin-ju (32)

- Discussion on Design of Reducing Weight for Bus / Coach Structure SHAO Zheng-shan , CHEN Zhi-long (35)

- A Kind of Project Introduction in Automatic Sprinkling Extinguisher Device for Bus and Coach ZHOU Dun-jie (38)

- Layout and Cooling of Roof Energy Storage System for Hybrid Electric Vehicle's LI Guang-han (39)

- Classification and Layout of Air Suspension Levelling Valve for Bus and Coach YANG Guo-ku (42)

• Experiment • Test • Standard • Regulation •

- Comparision Analysis of New and Old Edition Standard about Bus and Coach Ride Comfort Evaluation and Limits CHEN De-bing , CHEN Tao (44)

- Vehicle Power Steering System and Relevant Standards Analysis WAN Ke (47)

- Test Analysis and Improvement of Big Displacement Vibration for XMQ6116 Coach under Certain Speed ZHANG Pan-deng (50)

- Measure of Fitting Forces between Handbrake Cover and Pull Pole ZHAO Zhi-yong , ZHU Kun-yu (53)

• Service • Maintenance •

- Selection of Passenger Transport Vehicle in Chinese Southern Mountain Area LIANG Zhen-ya (56)

- How to Enhance Driving Fuel-saving Technology JIANG Feng (59)
