

Bus Technology and Research

No6, 2010 (Bimonthly) Serial No.148

Contents

• Survey •

Discussion on Bus / Coach Enterprise Management Innovation under Current Situation SHI Hong-gong, LI Du-sheng (1)

• Design • Calculation • Research •

- Kinematics Analysis of Coach Independent Air Suspension Based on ADAMS GUO Yan-hui, QIN Yan-bin (5)
Analysis on Strength of Coach Structure with Prestressed Side Covers FENG Jin (8)
Study of Response Time of Magnetorheological Fluid Damper YANG Bai-lian, LU Jia, ZHANG Deng-you, et al (11)
Optimization Proposal of Bus / Coach Electric Design XIANG Bin (15)
Modeling of Bus / Coach Body Frame Based on Secondary Development of CATIA DONG Ting (18)
Design Analysis on Anti-roll Bar of Front Air Suspension System for Low-entry City Bus LI Bing (21)
Design on JS6130SHJ Double-deck Sightseeing City Bus DENG Xiao-feng, LIN Yong-jia, WANG Pin-quan, et al (24)
Development of WG6110EV Trolley City Bus HU Qing (27)
3 D Layout Design of Specialized Equipments for ZTQ5180XYLA3 Medical Inspection Vehicle ZHANG Shuang (29)
Analysis and Calculation on Defrosting and Dehumidification of Bus / Coach passenger Compartment in Winter
..... WANG Ying-qi, YU Li-xin (31)
Design and Manufacturing of Vehicle Fascia ZHAO Tao, CHAI Li-ming (34)
Analysis on Wet Double Clutch WANG Feng (37)
Layout of Cooling Water Pipe for Hydraulic Retarder SUN Peng (39)
A Kind of Side Window Structure for Resistant Frost ZHAO Zhen-yu, GAO Xue-yu (41)

• Experiment • Test • Standard • Regulation •

- Problems and Suggestions of Rear Underrun Protective Devices Standards of Chinese Trucks
..... LIU Han-dong, ZHONG Wei-kuen (43)
Comparision of Limits and Method for Vehicle Noise Test among China, EEC and Canada WEI Chang-hong (46)
Application Test of Sound-absorbing Materials to Bus / Coach Air-Conditioner
..... HUANG Han-tao, FAN Zhen-li, ZHANG Honghao (49)

• Service • Maintenance •

- Working Principle and Fault Diagnosis of Electromechanical Parking Brake System LIU Chi-wei (51)

• Market • Maintenance •

- Function of Certification Systems in Bus / Coach Manufacturing Enterprises LIU Pei-liang, MAO Wen-feng (55)
