大连大学网球专修学生正手击球技术学习情况的调查与分析	范荣昌,徐家余,解 超(88)
辽宁省小学开展击剑特色课的可行性分析	王 威(91)
教练园地	
体操运动中专项身体素质对体操运动技术水平的影响	张国民(93)
其他	
CNKI足球科研仪器受试者特征分析	谢承红,赵厚华(95)

CONTENTS

- A research on the development model of traditional sports of Northwest Minority
..... YAN Yi(1)
- The fundamental difference between Chinese and American basketball from the Linsanity view
..... ZHOU Jun-fei(5)
- A research on the status quo and construction of community leisure sports service system in Suzhou
..... WU Wen-jie(13)
- The present situation investigation on physical fitness guidance of elderly in the old city area of Suzhou
..... ZHANG Ying(16)
- An analysis of the status quo of the urban community residents' exercises
——to take Five Cities in North of Jiangsu as an example LI Xing-chang(20)
- An analysis on participation in physical exercise of elderly in Taiyuan
..... LIU Jin, WANG Dong-hui, SUN Jie(25)
- On the influences of different intensity simulated hypoxic training to the oxygen transport capacity of erythrocyte
..... CUI Yu-ling, WANG Zhu-ying(33)
- A surface EMG research of key technical movement of female wrestlers in Shaanxi Province
..... SONG Hai-ming, ZHANG Bao-xin, LI Xiao-sheng(38)
- About the study progress on the influences of supplementation pyruvate to weight, body fat and sports' ability
..... ZHANG Zheng-gu(41)

- On the influences of Shadowboxing exercise to immune system on middle-aged people
..... ZHENG Chuan-feng(46)
- An application research of exercise therapy in motor dysfunction rehabilitation of stroke patients
..... LU Gui-lin, YE Bin(49)
- An analysis on the influence factors of physical exercise to hypertension adult physical fitness
..... ZHAO Chao(54)
- A research on energy metabolic rate of main losing weight methods of 10 to 11 years old obese children
..... YANG Chun-hua, TAN Si-jie(56)
- An analysis on the development of our competitive aerobics from the changes of difficult movements
..... LI Rui-ke, LIU Sheng-mei(61)
- An analysis on the strength of our men's competitive gymnastics from 2011 World Gymnastics Championship
..... WANG Cai-yun, ZHAO Chuan-sheng(64)
- A statistical analysis on the score data of Chinese male basketball first three fields in 26th World University Games
..... DAI De-xiang(66)
- A comparative analysis of the techniques of athletes in each position in 2011-2012 CBA Finals both sides
..... LI Nian, WANG Dong-hui, JING Ji-hong(68)
- A comparative analysis on the technical application effect of women volleyball teams' players at different positions between
China and Japan CHEN Li(71)
- A statistics analysis on Federer's single matches' techniques and tactics in 2012 Wimbledon Championships Open
..... WANG Ya-ping, JIANG Bin, WANG Chong(77)
- The research of physical education on traditional sportsintegrate into the schools of national gathering place
——Take the Hezhe Township Center School for example
..... SHI Jing, CHU Yu-kun, CAI Lin(81)
- An analysis on the learning situation of forehand shot technique of students specialized in tennis in Dalian University
..... FAN Rong-chang, XU Jia-yu, XIE Chao(88)
