SULPHURIC ACID
INDUSTRY

(bimonthly)

No.4 Aug.25,2016

(Serial No.265)

Supervisor: Research Institute of Nanjing Chemical Industrial Group

Sponsor: Research Institute of Nanjing Chemical Industrial Group
China Sulphuric Acid Industry Information Centre

Publisher: Editorial Office of Sulphuric Acid Industry

Address: 699 Geguan Road, Luhe, Nanjing, Jiangsu, China

Editor-in-Chief: HAO Aixiang

Deputy Editor-in-Chief: JI LuoJun

Postcode: 210048

Tel: 86-25-57795064

Fax: 86-25-57795064

Executive Editor: ZHANG Chi

CONTENTS

Environmental protection technical progress and outlook of China's non-ferrous metallurgy and metallurgical acid production	
..... JI LuoJun, JIN Sumin	(1)
Sulphuric acid technology—yesterday, today and tomorrow	
..... Matthew Viergutz	(9)
Application of multi-dish acid distributor in acid-heat recovery tower	
..... DING Hua	(12)
Characters determination of five maceous earth and their effects on activities of vanadium oxide catalysts	
..... Huang Xiahui, Li Qian, AI Yanqin	(15)
Handling difficult feed stocks in sulphur recovery units	
..... Mahin Rameshni	(19)
Statistics and analysis of China's sulphur market in the first half of 2016	
..... ZHANG Yu, ZHANG Yan	(25)
Application of ionic liquid desulphurization technology in smelting gas sulphuric acid production	
..... AI Xinqiao, YANG Dexin, YANG Jingli, TAN Heshan	(31)
Optimization and improvement of new desulphurization system with low temperature catalysis and design of desulphurization tower	
..... MEI Shengming	(34)
Technological renovation and practice of enriching and emission reduction of acid waste water	
..... MAO Yanli, MA Jun, SONG Ying, WANG Jiarong, ZHAO Ningwen, MA Ying	(37)
Research and solution of clogging problem in sulphur melting process of sulphuric acid plant	
..... JIN Bin, WANG Benfeng	(42)
Analysis and design of primary absorption tower with inverted cone skirt based on ANSYS software	
..... LIU Jiaoyang	(45)
Research and application of corrosion protection technology in electrical & electronic products	
..... CAI Pan	(48)
Cause analysis of turbine fan stall in 400 kt/a sulphur-burning sulphuric acid plant	
..... YANG Haidong	(51)
Technological improvement of dry absorption section in sulphuric acid plant	
..... ZHANG Yinghu, NIAN Jihong	(54)
Corrosion control technology in H ₂ S removal of natural gas	
..... WANG Liping	(57)
Application of effective solid-liquid separation device in dust-free sulphur dioxide preparation	
..... WU Zhenshan, JIANG Xiaodong	(60)
Arsenic pollution treatment in sulphuric acid production	
..... SUN Zumei, MAN Ruilin, LI Bo, LIU Qi, XU Juan	(62)
Treatment of waste water, off-gas, waste residue, energy-saving and emission reduction in pyrite-based sulphuric acid plant	
..... LIU Xingwang, SHAO Haili	(67)
Investigation of shutdown and start-up difficulties in sulphur recovery unit	
..... YAN Bing	(70)

扬州金圆化工设备有限公司

YANGZHOU JIN YUAN CHEMICAL EQUIPMENT CO., LTD.

化工、有色工程建设标准产品选用定点企业

扬州金圆化工设备有限公司可承接20-300kt/a硫铁矿、磷石膏、硫磺、冶炼烟气、硫化氢气体制硫酸装置的设计、制造、安装、调试并负责开车及人员培训（交钥匙工程）。

120kt/a硫铁矿制酸装置

200kt/a硫精砂制酸配套6000kw余热发电装置

300kt/a硫磺制酸装置

公司地址：江苏省扬州市友谊路588号

邮编：225002

总经理：张元和 13801452388

电话：0514-87233546

联系人：吴国亮 13912133421

传真：0514-87212081
