对农业技术经济学的一点认识

..... 袁士畴(127)

Journal of Agrotechnical Economics

(Monthly)

Edited and Published by

Institute of Agricultural Economics and Development, CAAS and
China Society of Agrotechnical Economics

No. 5, 2010

(Serial No. 181)

Mar.

CONTENTS

- Agricultural Total Factor Productivity Growth: Technological Advance Promoted or Efficiency Driven
——A Comparative Study Based on Stochastic Frontier Production Function
..... *LI Gucheng and FENG Zhongchao*(4)
- The Impact of RMB Exchange Rate Fluctuations on china's Import Prices of Agricultural
Products *QUE Shuyu and WANG Sheng*(15)
- Research on County Regional Patterns of Food Production based on Spatial Econometric
Models *YANG Chun and LU Wencong*(24)
- Relationship Contract and the Supply Quality Safety of Agricultural Products: Mathematical
Model and its Inference *WU Cheng and WANG Houjun*(30)
- Factors Affecting the Health of Rural Residents
——Dynamic Analysis based on Health and Nutrition Investigation Data
..... *CHU Xueling and WEI Longbao*(37)
- Analysis on the Rural Households'will of Farmland Management Right Transfer and its Influencing Factors
in the Background of Urban-rural Coordinated Growth
——Based on Survey Data from 428 Households in Chengdu and Chongqing
region *LI Qiyu and ZHANG Wenxiu*(47)
- Analysis on the Impact Factors of the Choice of Organizational Model in Chinese Herbal Medicine Industry
——Based on the Empirical Study of Chinese Herbal Medicine Enterprises on Medicine Material
Crude Slices *FENG Zhipei and CHANG Xiangyang*(55)
- The Regulation Efficiency on Listed Agricultural Corporations and the Impact on Corporation's
Performance *WANG Huaiming and SHI Xiaoming*(64)
- Empirical Research on the Regulation Structure of Listed Agricultural Corporations and its Relationship
with the Value of the Firms
——Panel Data Analysis for 48 Listed Agricultural Companies *LIU Zixu and GENG Xiaoyuan*(71)
- Study on the Relationship of Pork and Grain Price based on Threshold co-integration
..... *XU Xiaohua and WU Renshui*(78)
- Comprehensive Evaluation on the Chestnut Industry's Circulation Agriculture Model in Beijing's
Mountain Region *WANG Ruibo, LAN Yanping and ZHOU Liandi*(85)
- Analysis on the Impact of Imports on Chinese Cotton Industry *SONG Juguo and LIU Yizhuo*(91)
- China Vegetable Export in the USA's Secondary Mortgage Loan Crisis: Situation, Pattern and
Countermeasures *XU Jiapeng and LI Chongguang*(98)
- Empirical Analysis in the Health Status of Rural Residents and its Determinants
..... *ZHANG Yonghui and WANG ZhengBing*(106)
- Analysis on the Path Selection of Dairy Industry Organizations Modes based on AHP Method
——Case of dairy industry in Hohhot *JIANG Dongmei, Shenqian and Shengrong*(112)
- The Relationship between Collective Forest Tenure System Reform and Sustainable Developmen
..... *ZHANG Yigong, WANG Yunping, YU Henan and YANG Zhengpei*(120)
- My Knowledge on the Agricultural Technology Economics *YUAN Shichou*(127)
