

# 农业科技管理

NONGYE KEJI GUANLI

2017年10月 第36卷 第5期(总第250期)

## 目次

### 科技创新

- 现代农业科研院所制度建设的思考——以中国农业科学院为例 ..... 刘涛 王萌 王述民等 1
- 新阶段农业科研院所提升科技创新能力的实践与思考——以四川省农业科学院为例 ..... 彭建华 吕火明 4
- 湖北省农业科技协同创新思路与做法——以产业链推动创新链 以创新链反哺产业链 ..... 陈少愚 徐长春 孙良杰等 8

### 科研管理

- 关于完善基层农业科研机构项目管理机制的探讨——以江苏省农业科学院6个农区所为例 ..... 薛晨霞 戴晖 姜永平等 12

### 科技条件建设

- 搭建国际合作平台 增强牧医所自主创新能力 ..... 徐哲 张军民 文杰 15
- 区域科技创新平台体系的建设和发展浅析——以中国热带农业科学院为例 ..... 宋喜梅 陈鸿宇 桑雪莲等 19

### 科技推广

- 新形势下基层农技推广体系改革建设的思考——以淮南市为例 ..... 徐长春 郑戈 薛鹏飞等 21
- 对完善河南省基层农技推广体系的思考 ..... 苏磊 王强 卫文星等 25

### 科技成果转化

- 中国热带农业科学院2006~2015年获奖项目分析与建议 ..... 冯朝阳 魏玉云 李希娟等 28
- 科技成果转化收益分配政策的分析与思考——以江苏省为例 ..... 葛兆建 33
- 创新农业科技成果转化的实践与思考——以甘肃省农业科学院为例 ..... 马彦 37

### 科教兴农

- 农业科研院所推动农作物秸秆综合利用的实践与思考——以安徽省农业科学院为例 ..... 李东平 金勤勤 41
- 热带农业科研院所科技服务存在的问题及建议——以中国热带农业科学院农产品加工研究所为例 ..... 方蕾 44
- 构建五大系统 支撑和引领区域农业转型升级——以浙江省农业科学院为例 ..... 孙丽萍 汪国平 袁群英等 47

### 三农问题研究

- 基于创业生态系统理论的“星创天地”的运行模式与演化研究 ..... 卢凤君 金琰 李志军等 50
- 河北省实施精准扶贫的区域模式研究——以大名县为例 ..... 刘红耀 温利华 谭树新 53

### 产业发展

- 中国与美国花生生产成本及收益比较分析 ..... 董文召 张新友 韩锁义等 56
- 燕山地区农业优势特色产业对策研究 ..... 郑桂茹 蔡惠 胡铁锋等 61
- 创新驱动发展战略下农业科研单位科技企业发展的若干思考 ..... 王丽英 高方 白红杰等 64
- 从谷子产业的角度统筹杂交谷子产业发展 ..... 张春锋 张新仕 张晓等 68

### 科技人才

- 加强农业科研院所中层干部培训浅析 ..... 周敏 71
- 关于创新农业科研单位人才管理工作的思考——以中国水稻研究所为例 ..... 苏岩 俞其明 吕仕琼等 75
- 农产品加工研究所科技服务绩效评价体系的构建 ..... 王炜 赵江涛 李建军 78
- 农业科研院所青年人才发展需求分析与对策研究——以农业部环境保护科研监测所为例 ..... 姚金玲 胡梅 邹玉娜等 82

### 财务管理

- 省级农业科研单位内部审计存在的问题成因及对策 ..... 包锁柱 董宝池 杨子彦等 85

### 党建工作

- 关于农业科研院所基层党建工作创新的实践与思考 ..... 辛红霞 华秀红 万云龙 89
- 关于农业科研单位落实“两个责任”的思考——以中国热带农业科学院为例 ..... 叶雪萍 罗志强 温春生等 93

# Management of Agricultural Science and Technology

NONGYE KEJI GUANLI

Oct. 2017 Vol.36 No.5

## Contents

|                                                                                                                                                                                                                                             |                             |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------|
| Thoughts on the System Construction of Modern Agricultural Scientific Research Institutions, Taking Chinese Academy of Agricultural Sciences as an Example .....                                                                            | Liu Tao, et al. (1)         |
| Practice and Reflection of Upgrading Scientific and Technological Innovation Ability of Agricultural Scientific Research Institutes in the New Stage, Taking Sichuan Academy of Agricultural Sciences as an Example .....                   | Peng Jianhua, et al. (4)    |
| New Way of Collaborative Innovation of Agricultural Science and Technology in Hubei Province: Promoting Innovation Chain by Industrial Chain and Reguritation-Feeding Industrial Chain by Innovation Chain .....                            | Chen Shaoyu, et al. (8)     |
| Discussions on Improving the Project Management Mechanism of Agricultural Research Institute at the Basic Level, Taking 6 Agricultural Research Institutes of Jiangsu Academy of Agricultural Sciences in Farming Areas as an Example ..... | Xue Chenxia, et al. (12)    |
| Building International Cooperation Platform and Strengthening Independent Innovation Ability of Institute of Animal Sciences of CAAS .....                                                                                                  | Xu Zhe, et al. (15)         |
| Brief Analysis on the Construction and Development of Regional Science and Technology Innovation Platform System, Taking Chinese Academy of Tropical Agricultural Sciences for an Example .....                                             | Song Ximei, et al. (19)     |
| Reflections on Reform and Construction of Agricultural Technique Extension System at Grass-Roots Level under the New Situation, Taking Huainan City as a Case .....                                                                         | Xu Changchun, et al. (21)   |
| Considerations on Improving Agricultural Technology Extension System at Basic Level in Henan Province .....                                                                                                                                 | Su Lei, et al. (25)         |
| Analysis of Awarded Programs of Chinese Academy of Tropical Agricultural Sciences During 2006 ~ 2015 and Suggestions .....                                                                                                                  | Feng Chaoyang, et al. (28)  |
| Analysis and Consideration on Policy for Distributing Scientific and Technological Achievement Transformation Benefit, Taking Jiangsu Province as a Case .....                                                                              | Ge Zhaojian (33)            |
| Practice and Thinking on Innovation of Agricultural Scientific and Technological Achievement Transformation, Taking Gansu Academy of Agricultural Sciences for an Example .....                                                             | Ma Yan (37)                 |
| Practice and Thinking on Promoting the Comprehensive Utilization of Crop Stalk by Agricultural Scientific Research Institutes and Academies, Taking Anhui Academy of Agricultural Sciences as an Example .....                              | Li Dongping, et al. (41)    |
| Problems in Scientific Service of Academies and Institutes of Tropical Agricultural Sciences and Suggestions, Taking Agricultural Processing Institute of Chinese Academy of Tropical Agricultural Sciences as a Case .....                 | Fang Lei (44)               |
| Construct Five Big Systems to Support and Lead the Transformation and Upgrading of Regional Agriculture, Taking Zhejiang Academy of Agricultural Sciences as a Case .....                                                                   | Sun Liping, et al. (47)     |
| Studies on Operating Model and Evolution of "Maker Space" Based on the Entrepreneurial Ecosystem Theory .....                                                                                                                               | Lu Fengjun, et al. (50)     |
| Studies on Regional Model of Precision Poverty Alleviation in Hebei Province, Taking Daming County as an Example ...                                                                                                                        | Liu Hongyao, et al. (53)    |
| Comparative Analysis of Peanut Production Cost and Profit in China and USA .....                                                                                                                                                            | Dong Wenzhao, et al. (56)   |
| Studies on Developing Strategy of Agricultural Advantage Characteristic Industry in Yanshan Region .....                                                                                                                                    | Zheng Guiru, et al. (61)    |
| Several Thoughts on the Development of Science and Technology Enterprises of Agricultural Scientific Research Institutions under the Innovation Driven Development Strategy .....                                                           | Wang Liying, et al. (64)    |
| Arrange the Development of Hybrid Millet Industry from the Perspective of Millet Industry .....                                                                                                                                             | Zhang Chunfeng, et al. (68) |
| Analysis on Strengthening the Training of Middle-Level Cadres in Agricultural Scientific Research Institutions .....                                                                                                                        | Zhou Min (71)               |
| Thoughts about the Innovation of the Management of Talents in Agricultural Scientific Research Institute, Taking Chinese National Rice Research Institute as an Example .....                                                               | Su Yan, et al. (75)         |
| Construction of Performance Evaluation System of Technical Service of Institute of Agricultural Processing Research .....                                                                                                                   | Wang Wei, et al. (78)       |
| Researches on Young Talents' Development Demands in Agricultural Research Institutes and Countermeasures, Taking Agro-Environmental Protection Institute, MOA as an Example .....                                                           | Yao Jinling, et al. (82)    |
| Causes of Problems in Internal Audit of Provincial Academy of Agricultural Sciences and Countermeasures .....                                                                                                                               | Bao Suozhu, et al. (85)     |
| Practice and Considerations on Innovation of Primary Level Party Building in Agricultural Scientific Research Institutes .....                                                                                                              | Xin Hongxia, et al. (89)    |
| Considerations on the Implementation of "the Two Responsibilities" in Agricultural Scientific Research Institutions, Taking Chinese Academy of Tropical Agricultural Sciences as a Case .....                                               | Ye Xueping, et al. (93)     |
