

# 农业科技管理

NONGYE KEJI GUANLI

2018年6月 第37卷 第3期(总第254期)

## 目次

### 高端论坛

新时期推动我国农业高质量发展的对策建议 ..... 寇建平 1

### 科研管理

我国农业科研院所内部创新单元研发效率研究 ..... 任丽伟 林青宁 项 诚等 5

澳大利亚研究型大学的国际科技合作管理及对我国科研院所的启示——以默多克大学为例 ..... 孙加祥 11

中国农业科学院科技论文评价探索实践 ..... 刘蓉蓉 卢 垚 刘 涛 14

加强安徽省农业科学院学科建设的若干思考 ..... 李东平 戚少燕 江 舰 18

### 科技条件建设

现代农业科研基地管理创新与服务效能提升研究——以江苏省农业科学院为例 ..... 巩文红 郑梅玉 张 燕等 21

安徽省粮食丰产科技工程科技示范基地建设实践与思考 ..... 徐秀娟 孔令聪 25

农业科研基地创新食宿服务机制的探讨——以江苏省农业科学院六合动物科学基地为例 ..... 杨力钢 高 兵 程莉倩等 29

### 科技成果转化

浅谈内蒙古农牧业科技成果转化评价指标体系设计 ..... 凤 英 成立新 贾晓清等 32

### 科技推广

农业供给侧结构性改革背景下加强农技推广信息化建设的思考 ..... 陈 吉 冯 剑 36

### 科技扶贫

省级农业科研单位开展科技扶贫的实践探索——以河南省农业科学院为例 ..... 苏 磊 黎世民 李茜茜等 40

精准扶贫背景下推进科技创新能力提升的思考——以汾西县、五寨县为例 ..... 苏东涛 韩伟宏 吕 凯等 44

农业科技助推脱贫攻坚实践与探讨——以四川省农业科学院农业信息与农村经济研究所为例 ..... 景晓卫 何 鹏 李 晓 48

### 三农问题研究

对农业“走出去”助推农业供给侧改革的思考 ..... 赖作莲 50

安徽省潜山县农民专业合作社发展现状与方向 ..... 柳天滋 陈友来 赵潜生 53

### 产业发展

我国商业化育种科企合作交易本质及影响因素分析——一个综合的理论分析框架 ..... 郑 可 李冬梅 58

我国农作物品种审定制度变革与现代种业发展刍议 ..... 石学彬 刘 康 62

滇西高原特色玉米产业发展:特点、挑战与思考——以云南大理州为例 ..... 杨曙辉 李 江 欧阳作富等 66

四川牛油果产业调研和科技支撑对策研究 ..... 刘雅琴 何希德 周华强等 70

### 科技人才

省级农业科研院所加强人才工作的思考——以江苏省农业科学院为例 ..... 樊 磊 74

新形势下农业科研单位队伍建设的思考 ..... 解 沛 王 琳 79

高校创新型科研团队建设的关键因素研究 ..... 王志刚 谷申杰 张俊杰等 82

### 财务管理

新形势下提升农业科研院所内部审计职能的对策研究 ..... 金 萍 夏 敏 戴红君 86

### 党建工作

新时期农业科研单位党建工作的实践与思考 ..... 李雪梅 蒋秋生 李伟明 91

加强农业科研院所基层党组织政治功能研究 ..... 姚金玲 胡 梅 张国良 94

|                                                                                                                                                                                                                                        |                           |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------|
| Suggestions on Promoting High Quality Development of Chinese Agriculture in the New Stage .....                                                                                                                                        | Kou Jianping (1)          |
| Studies on Research & Development Efficiency of Internal Innovation Unit of Chinese Agricultural Research Institute .....                                                                                                              | Ren Liwei, et al. (5)     |
| Management of International Science and Technology Cooperation of Study Type University in Australia and Enlightening to Institutions in China, Taking Murdoch University as an Example .....                                          | Sun Jiaxiang (11)         |
| Exploration and Discussion on Scientific Publication Evaluation in CAAS .....                                                                                                                                                          | Liu Rongrong, et al. (14) |
| Several Thoughts on Strengthening the Discipline Construction of Anhui Academy of Agricultural Sciences .....                                                                                                                          | Li Dongping, et al. (18)  |
| Studies on Innovation of Management of Modern Agricultural Research Base and Boost of Service Efficiency, Taking Jiangsu Academy of Agricultural Sciences as an Example .....                                                          | Gong Wenhong, et al. (21) |
| Practice and Consideration on Construction of Scientific and Technological Demonstration Base of the Food Crop Bumper Harvest Scientific Project of Anhui Province .....                                                               | Xu Xiujuan, et al. (25)   |
| Discussion on the Innovation of Accommodation Service Mechanism in Agricultural Research Base, Taking Liuhe Animal Science Base of JAAS as an Example .....                                                                            | Yang Ligang, et al. (29)  |
| Discussions on Design of Index System for Evaluating Transformation of Agricultural and Animal Husbandry Achievements in the Inner Mongolia .....                                                                                      | Feng Ying, et al. (32)    |
| Considerations on Strengthening Informatization Construction of Agricultural Technology Extension under the Background of Agricultural Structural Reform on the Supply Side .....                                                      | Chen Ji, et al. (36)      |
| Discussions on Practice of Aiding the Poor with Technology by Provincial Agricultural Scientific Research Institutes, a Case Study of Henan Academy of Agricultural Sciences .....                                                     | Su Lei, et al. (40)       |
| Thinking on Promoting Scientific and Technological Innovation Ability in the Context of Targeted Poverty Alleviation, a Case Study of Fenxi County and Wuzhai County .....                                                             | Su Dongtao, et al. (44)   |
| Practice and Discussions on Promoting Poverty Alleviation by Agricultural Science, Taking Agricultural Information and Rural Economic Institute of Sichuan Academy of Agricultural Sciences as an Example .....                        | Jing Xiaowei, et al. (48) |
| Considerations on Promoting Agricultural Reform on the Supply Side by "Going out" of Agriculture .....                                                                                                                                 | Lai Zuolian (50)          |
| Development Status and Trend of Farmers' Professional Cooperatives in Qianshan County of Anhui Province .....                                                                                                                          | Liu Tianzi, et al. (53)   |
| Analysis on the Transaction Essence and Influencing Factors of the Cooperation between Scientific Research Institutions and Enterprises of Commercial Breeding Industry in China, a Comprehensive Theoretical Analysis Framework ..... | Zheng Ke, et al. (58)     |
| Discussions on Evolution of Crop Variety Registration System and Development of Modern Seed Industry in China .....                                                                                                                    | Shi Xuebin, et al. (62)   |
| Development of Corn Industry with Plateau Features in Western Yunnan Province: Characteristics, Challenges and Considerations, a Case Study of Dali of Yunnan Province .....                                                           | Yang Shuhui, et al. (66)  |
| Investigation of Avocado Industry of Sichuan Province and Studies on Measures of Scientific Support .....                                                                                                                              | Liu Yaqin, et al. (70)    |
| Thinking on Strengthening Talents Work in Provincial Academy of Agricultural Sciences, Taking Jiangsu Academy of Agricultural Sciences as an Example .....                                                                             | Fan Lei (74)              |
| Considerations on Construction of Talents' Team of Agricultural Research Institution under New Circumstance .....                                                                                                                      | Xie Pei, et al. (79)      |
| Studies on Key Factors of Innovative Scientific Team Construction in Universities .....                                                                                                                                                | Wang Zhigang, et al. (82) |
| Research on Countermeasures of Improving the Internal Auditing Function of Agricultural Scientific Research Institutions under the New Situation .....                                                                                 | Jin Ping, et al. (86)     |
| Practice and Thinking on Party Construction of Agricultural Scientific Research Units in the New Era .....                                                                                                                             | Li Xuemei, et al. (91)    |
| Research on Strengthening the Political Function of the Grass-Roots Party Organization in Agricultural Research Institutes .....                                                                                                       | Yao Jinling, et al. (94)  |
