Who is the best CEO? P/28

With the impact of the global finance crisis, many industries are facing various problems such as the price fall, decline in efficiency and even deficit caused by the lack of need. However, the crisis promote a explosive groth of China automobile industry, whose managers are advancing after stand the test.

The daytraders of Hummer' s purchase behind the scenes P/48

The strategy of forigen M&A 'Bring In and Go Out' seems unfamiliar with most of Chinese Automobile enterprises. What they need is a M&A team with more professionalization to help them realize their dreams. The Honigman is just one of them. As the daytrader of Hummer' s purchase behind the scenes, it bring us a lot.

Brilliance' s future P/60

As the previous hero advanced overseas, the Brilliance have to consider their futures in the European market now. When the dreams are facing the fact, the only way is to come back.

Huwtai: live or dead P/86

As the diesel-engined passenger car,the biggest challenge is not from the market, but from the misunderstanding by people and the unclear policy. Whether Hawtai can step into the top passenger car manufactures? What they need is a specific signal by the government.
