Vol. 41 NO. 13

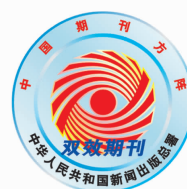

A commemorative graphic for the 40th anniversary of the journal. It features a large '40' logo with the years '1983-2023' below it. The background is a dark blue space with a network of glowing nodes and lines. A person in a white lab coat is shown from the chest up, with their hand raised as if interacting with a futuristic interface. The interface includes several icons: a person at a computer labeled 'Online services', a medical professional, a person in a space suit, a heart rate monitor labeled '68 BPM', and a brain. There are also some binary code elements and a small text box at the bottom right of the interface.
