OIL & GAS STORAGE AND TRANSPORTATION

(MONTHLY)

Vol. 29 No. 11 (Total No. 263) Nov. 25, 2010

CONTENT

OVERVIEW • TRANSPORTATION PROCESS • INTEGRITY

- Development and Suggestions in Modular Floating Deck of Covered Floating Roof Tank
..... Kong Zhaorui (801)
- Oil and Gas Pipeline Accidents in US and Their Inspiration
..... Shuai Jian (806)
- Impacting Factors and Solution Method for Energy Saving of Hot Oil Transportation Pipelines
..... Zhang Xiujie (810)
- Signal Analysis and Application of Tri-axial MFL Sensors for Pipeline In-line Inspection
..... Wang Fuxiang, Feng Qingshan, Wang Xueli, et al (815)
- RiskScore Pipeline Risk Assessment Method and Its Application
..... Dai Lianshuang, Zhang Junyi, Zhang Xin, et al (818)

DESIGN & CALCULATION • MECHANICAL EQUIPMENT

- Distribution Model of Water Phase Interface in Oil Transportation Pipeline with Water
..... Xu Guangli, Zhang Guozhong, Liu Gang, et al (821)
- Reliability Calculation of Fatigue Damage and Fatigue Life of Submarine Pipeline
..... Huang Xiaoguang and Han Zhongying (827)
- Application of SPS Simulator in Jingbian-Xianyang Pipeline
..... Li Pei, Zhao Hongtao, Zang Guojun, et al (832)
- Influence of Buried Parameters for Heat Transfer of Pipelines Laid in One Ditch
..... Wu Feng, Li Xiangyang, Zhang Zhijun (835)
- Application of Smartball Drifting Leak Detection System in Oil Pipeline
..... Ma Xiaobin, Zeng Xinding, Pu Renqiang (839)

CORROSION CONTROL & INSULATION • QUESTION & DISCUSSION

- Anticorrosive and Scale Prevention Technique for Pumping Well in Luliang Oilfield
..... Han Li, Lu Ping, Wang Zhongwu, et al (841)
- Corrosion Failure Analysis of Synthetic Hydrocarbon-Recycle Gas Heat Exchanger
..... Ye Tongxiao, Zhang Wei, Dong Yuexiang, et al (845)
- Soil Corrosivity Assessment of Gas Pipeline Based on Extenics
..... Zhang Chi and Wang Kaiquan (848)
- Design and Construction of Coating Spraying System in EPC Project
..... Feng Xiaodong, Han Lihua, Liu Tianjiao, et al (852)
- Custody Transfer Metering Method Based on Flowmeter Coefficient and Its Process Error During Pipeline Transportation of Crude Oil
..... Huang Xinghan, Wang Jianhua, Huan Fang, et al (855)
- Overcurrent Problem and Solution of Fire Pumps in Some Oil Tankfarm
..... Xu Xiaobei, Shi Bin, Han Longxue, et al (858)

EXPERIMENT & RESEARCH • SAFETY & FIRE CONTROL • OIL & GAS STORAGE

- Crystallization Characteristics of Higher Alcohol Acrylate as Pour Point Depressant
..... Sun Wei, Li Yaogang, Wang Zhiyuan, et al (861)
- Measurement of Specific Heat Capacity of Crude Oil by Differential Scanning Calorimetry
..... Yuan Kaijun, Han Xiaoqiang, Chen Guojin, et al (864)
- Screening Test of Petroleum-associated Gas Corrosion Inhibitor
..... Liu Dejun, Wang Weimin, Shen Longshe (868)
- Emergency Rescue Measures of the Maintenance Accidents Within Oil Tank
..... Huang Zhenghua, Li Jianhua, Liu Tianjiao (871)
- Solution to Gasoline Storage Loss Through Gasoline Vapor Recovery
..... Chen Hong (874)
- Numerical Simulation on Minimum Allowable Operation Pressure of Multi-interbedded Salt Cavern Gas Storage
..... Wang Tongtao, Yan Xiangzhen, Yang Henglin, et al (877)
