[Abstract] In the development of public cultural service system, gallery is the important character acting in all of the cultural organizations. As the service objects of gallery, the audiences are getting promoted to an important position. Service consciousness promoting and audience developing become the first important things for gallery in China creating public cultural service system. This paper analyses beginning with the specialized characteristic of gallery, and puts forward the basic strategy to the audience development, in order to promote its service quality, the influence and competitive of gallery in the new culture environment.
[Key Words] Public cultural service; gallery; service consciousness; audience
- 095 **On the Chinese Element Form in Chinese experimental Video Art** JIANG Xun
[Abstract] In the process of China's internationalization, the early video artists of China were more or less adopted various Chinese elements in their works in which they hope to be identified by this strategy. In the form of expression, the use of Chinese experimental video art of Chinese elements can be roughly divided into two aspects: first one is the use of Chinese realistic elements; second one is the implantation of traditional cultural elements.
[Key Words] Chinese elements; experimental video art; internationalization
- 117 **On the Evolution of Ma Wanli's Painting Style in time of the Republic of China** MA Yuan
[Abstract] Having been influenced by Liang Gongyue, Chen Shizeng and Tao Lengyue when Ma Wanli was in Nanjing Fine Arts Academy, he gradually formed a basic style which focused on realistic painting, colors and the picture composition, since then he embarked on the road of true artistic creation. Moreover, various trends of new thoughts from Shanghai improved his personal style deeply. In the 1940s, he had formed a highly original painting style that cannot be copied. By using stroke as the seal character and official script, his masterpieces are loaded with implied meaning, and they had a distinctive time feature.
[Key Words] Ma Wanli; the Republic of China period; style; evolution
- 122 **Mr. Ma Wanli in Time of the Cultural Revolution** MA Tengjiao
[Abstract] Mr. Ma Wanli was suffering in time of the Cultural Revolution. He moved from Guangxi people's political consultative conference's (PPCC) compound to socialist college and then back to PPCC's compound. He could only get free while the government was in deregulation. His great pleasures in the time was communicating and creating with his friends. Having been physically and emotionally abused he suffered from a serious disease. He died from illness right after he had his "reborn".
[Key Words] Ma Wanli; the Cultural Revolution; communication; creation
