Statistic Analysis on Published Papers and Journal Evaluation Index of *Earthquake Research in China* WU Qiong (291)

Publication Delay of Articles in 12 Chinese Pharmaceutical Journals QU QingHui, ZHANG XiaoFeng, FANG Yu, ZHANG XinYang and LIU Jing (296)

Academic Impact of Chinese Pharmaceutical Journals from 2004 to 2008 LIU YaoWen, LI MeiYing, WEI Xia and LI GuoXiu (300)

Analysis and Strategies on Constructing Website for Pharmaceutical Journals Sponsored by Chinese Pharmaceutical Association

..... ZHANG Jing and HUANG WenLong (305)

Situation of China's English-language Oncologic Journals Based on Bibliometrics of *Chinese Journal of Cancer Research*

..... ZHOU XinXian, LING QiBo and MIAO HongCai (310)

Citation Analysis of *Journal of Zhengzhou University (Medical Sciences)* from 2006 to 2008 JIANG ChunXia (313)

Relationship between Impact and the number of Published Papers for Scientific Journals of Normal Universities CHEN LiuYuan (316)

Citation Analysis of Academic Papers in Agricultural Core Journals ZHOU LiHua (320)

Viewpoints on *A Guide to the Core Journals of China* (2008 edition) JIN TieCheng (323)

Thoughts on Function and Orientation of University Journals CAO JinKe (325)

Review and Experience on International Cooperation for *Journal of Traditional Chinese Medicine* DENG Zi (328)

Probe into the Editorial Manager on Online Submission and Review System

..... ZHANG XinXin, ZHANG ChunJie, LIN HanFeng, ZHAI ZiYang and ZHANG YueHong (331)

A briefly Analyses on the Functions of AMLC in Examination of Academic Papers CUI Jie and TAN Hua (336)

Exploiting Manuscript Management System Based on VB and Access Database LIU Yan and LIU Peng (339)

Enhancing Competitiveness of Journals; Based on the Practice Experience of *Chinese Medical Journal* GUO LiShao and YOU SuNing (346)

Sticking to Journal-running Purpose and Serving Discipline-developing WANG AiLian, JIA PeiJun, ZHU YiMin and ZHOU XiaoYu (347)

Enhancing Editing Strength Via People-oriented Approach and Developing University Journals Based on Quality:

Case Study of *Journal of Shenyang University of Technology* DENG MeiYan (349)

Development of Chinese Scientific Journals in the View of Language Laws and Standards; Case Study on Journals Published in Guangdong Province

..... WU YouDing and YAN ZhiSen (352)

Ways on Reinforcing Authors Group for *Shaanxi Journal of Agricultural Sciences* YANG JiTao and Li GuiLi (356)

Influences of Rent-seeking Activities on the Academic Journal Operations from the Perceptiveness of the Public Products ZHANG Cong (359)

SWOT Analysis on Open Access Publishing for University Journals ZHAO LiYing, LIU Tong and WANG XiaoWei (362)

Contents and Functional Extension of Front/Back Covers for *Journal of Zhejiang Normal University (Natural Sciences Edition)* TAO LiFang (366)

An analysis of Recessive Errors in References for Academic Papers PENG TaoYing (368)

Analysis on Enhancing the Editing Quality of Scientific Journals WU JianMin (372)

Page Charge of University Journals Should Be Balanced with their expenditure ZHONG ZhaoHui (374)

Topic Selection; A Key Method for the Marketing of Scientific journals ZOU Xin (376)

Practice and Experience of Setting up an English-language Medical Journal Cooperated with Abroad Institutions SHEN Jie (378)

Quality Requirements for Editors of Scientific Journals GUO HuanFang and ZHENG AiLian (381)

Contents of Acknowledgements in Scientific Papers Should Be Concrete ZHU DaMing (384)

Presentation of $a \pm b$ Related to Statistics in Biomedical Articles LIU QingHai and GAN ZhangPing (386)

Noticing Disciplinary Particularity, Making Presentation Ambiguous —— Suggestion on Using National Standards in Editing ... ZHANG YuXu and ZHANG QiLing (389)

Writing Models and Frequent Sentence Patterns for Introductions in English Scientific Papers XU Jun and LOU Ping (392)

Marketing Situation and Developing Strategies for Medical Journals JIN Dong and YOU SuNing (395)

Management Strategy of Advertisement Scientific Journals on Broadcast Television ZHAO BinWei LI MingDe and WU ShiFei (398)
