### 研究论文

|                                                                |                            |
|----------------------------------------------------------------|----------------------------|
| 东北地区养殖淡水鱼有机氯和拟除虫菊酯农药残留及健康风险评价 .....                            |                            |
| ..... 黄晓丽,高磊,汤施展,黄丽,霍堂斌,王鹏,陈中祥,覃东立(1)                          |                            |
| 基于牡蛎壳的复合材料制备及其离子吸附特性研究 .....                                   | 赵强,刘俊财,杜雨桐,江晓,孙建安,毛相朝(10)  |
| 黄河鲤生长性状的转录组解析 .....                                            | 李佩珍,许建,朱优秀,冯建新,江炎亮,张瀚元(22) |
| Captiva EMR – Lipid 小柱净化 – 超高效液相色谱 – 串联质谱法快速测定水产品中五氯酚钠残留 ..... |                            |
| ..... 李诗言,周钦,柯庆青,王鼎南,周凡,贝亦江,吴洪喜,丁雪燕,王扬(32)                     |                            |
| 淡水养殖花鲈胃排空特性及最佳投喂频率研究 .....                                     |                            |
| ..... 李刚,王庆龙,陈志方,张龙,徐扬涛,温海深,李吉方,张凯强(39)                        |                            |
| 凸加夫蛤( <i>Gafrarium tumidum</i> )形态性状对体质量性状的相关性及通径分析 .....      |                            |
| ..... 方伟,陈明强,李有宁,马振华,赵旺,温为庚,邓正华,于刚,王雨(47)                      |                            |
| 厦门市售贝类中重金属镉含量分析与评价 .....                                       | 林功师(54)                    |
| 2019—2020年沿海与内陆地区水产品质量安全比较研究 .....                             | 陈莉,李太平(60)                 |
| <b>质量安全管控技术</b>                                                |                            |
| 鳊鱼质量安全管控技术性指导意见 .....                                          | (67)                       |
| <b>官方评议</b>                                                    |                            |
| 对《韩国有关食品安全标准 and 规范修订案的通报》的评议 .....                            | (70)                       |
| 对《欧盟拟降低水产品中汞的最大残留限量的通报》的评议 .....                               | (71)                       |

## CONTENTS

## Research Paper

- Investigation and risk assessment of organochlorine and pyrethroid pesticide residues in cultured freshwater fish , Northeast China ..... (1)
- HUANG Xiaoli , Gao Lei , TANG Shizhan , HUANG Li , HUO Tangbin , WANG Peng , CHEN Zhongxiang , QIN Dongli (1)
- Preparation of Composite Materials Based on Oyster Shell and Study on Its Ion Adsorption Properties ..... (10)
- ZHAO Qiang , LIU Juncai , DU Yutong , JIANG Xiao , SUN Jian-an , MAO Xiangzhao (10)
- Transcriptome analysis for growth traits of *Cyprinus carpio* ..... (22)
- LI Peizhen , XU Jian , ZHU Youxiu , FENG Jianxin , JIANG Yanliang , ZHANG Hanyuan (22)
- Rapid determination of sodium pentachlorophenol in aquatic products by captiva EMR -lipid soild phase extraction-ultra performance liquid chromatography -tandem mass spectrometry ..... (32)
- LI Shiyan , ZHOU Qin , KE Qingqing , WANG Dingnan , ZHOU Fan , BEI Yijiang , WU Hongxi , DING Xueyan , WANG Yang (32)
- Study on gastric evacuation characteristics and optimal feeding frequency of *Lateolabrax maculatus* by freshwater aqua-culture ..... (39)
- LI Gang , WANG Qinglong , CHEN Zhifang , ZHANG Long , XU Yangtao , WEN Haishen , LI Jifang , ZHANG Kaiqiang (39)
- Correlation and pathway analysis of morphological traits to body weight traits of juvenile *Gaftrarium tumidum* ..... (47)
- FANG Wei , CHEN Mingqiang , LI Youning , MA Zhenhua , ZHAO Wang , WEN Weigeng , DENG Zhenghua , YU Gang , WANG Yu (47)
- Analysis and assessment for the content of cadmium in shellfish form Xiamen markets ..... (54)
- LIN Gongshi (54)
- Study on quality and safety comparison of aquatic products in China 's coastal and inland areas from 2019 to 2020 ..... (60)
- CHEN Li , LI Taiping (60)

## Quality and Safety Control Technology

- Technical guidance on quality and safety control of *Parabramis pekinensis* ..... (67)

## Official Review

- The Comment on Korea notification for Revision of Food Standards and Specifications ..... (70)
- The Comment on EU notification of Reducing for the maximum Residue Limit of Mercury in Aquatic Products ..... (71)
