Information for Authors

Aim

Journal of Zhejiang University-SCIENCE B (Biomedicine & Biotechnology) (JZUS-B) is edited by the international board of distinguished Chinese and foreign scientists, and is aimed to present the latest developments and achievements in scientific research in China and overseas to the world's scientific circles, especially to stimulate and promote academic exchange between Chinese and foreign scientists everywhere.

Scope

JZUS-B focuses on Biomedicine, Biochemistry & Biotechnology, and welcomes contributions from all who wish to report on new developments in scientific researches within the scope outlined above.

Manuscript Preparation

Authors are encouraged to submit their manuscripts via **online submission** at <http://www.editorialmanager.com/zusb>. The electronic manuscript should be prepared to accord with the following:

Title and by-line: Name, affiliation (institution) of the author(s), city, zip code, country, and email address of the author(s) should be given.

Abstract: About 150–250 words without mathematical or chemical equations or citations should outline the objective, method, main results, and conclusions.

Key words: Provide 3 to 6 key words or phrases for cross-indexing this article.

Text: The text should contain an Introduction that puts the paper into proper perspective for the reader, and should also contain Methods, Results, Discussion, and Conclusions sections. Each figure, including a, b, c, etc. of each figure, must present the caption.

Acknowledgements: Individuals or units other than authors who were of direct help in the work could be acknowledged by a brief statement following the text.

References: Only essential references (journal article, book, thesis, report, proceedings, etc.) cited in the text (in Author-Year format) can be listed in alphabetical order by author's surname. Personal communications and unpublished data are not acceptable references. For references with more than three authors, the first three names should be given, followed by *et al.*

Ethical requirement: All materials must adhere to high ethical and animal welfare standards. All authors should declare any Conflict of Interest in detail. Authors must also state that they conformed with the Helsinki Declaration of 1975, as revised in 2008 (5) concerning Human and Animal Rights, and that they followed out policy concerning Informed Consent as shown on Springer.com.

JZUS-B Database Information

JZUS-B has been accepted by Science Citation Index-Expanded (SCI-E), IM/MEDLINE, PMC, BA, BIOSIS Previews, JST, Scopus, ZR, CA, SA, AJ, ZM, CABI, CSA (AHTD/AI/AP/ASF/CDCD/CE/CI/CIS/Corr/C-WC/EC/EMA/MBF/ESPM/MD/MG/OA/OT/SS/WR) for abstracting and indexing respectively, since JZUS founded in 2000 and JZUS-B started in 2005.
